Regional Colorectal Screening/Gastrointestinal (GI) Endoscopy Lead

---

## Biography

Dr. Hugh Kendall is the Regional Colorectal Screening/Gastrointestinal (GI) Endoscopy Lead for the Central East Regional Cancer Program. He is a general surgeon and president of the Durham EndoSurgery Centre in Ajax, where his practice focuses on consultation, colonoscopy and gastroscopy.

A graduate of McGill University Medical School, Dr. Kendall is a fellow of the Royal College of Physicians and Surgeons of Canada. He completed his surgical residency in General Surgery at the University of Toronto and has worked at Toronto General Hospital, Oakville-Trafalgar Memorial Hospital and Rouge Valley Health System, Ajax and Pickering Hospital.

Dr. Kendall has been interested and involved in creating system-wide quality management for Endoscopy providers and out-of-hospital facilities as both a front-line provider and peer assessor for the College of Physicians and Surgeons of Ontario (CPSO). He is a former co-chair of the CPSO's Out of Hospital Facility Task Force, and a former premises inspector for its Out of Hospital Inspection Program. Today, Dr. Kendall co-chairs the CPSO Quality Assurance Committee.

His expertise in the field of Endoscopy has led to valuable work with Cancer Care Ontario ( now Ontario Health), where Dr. Kendall has been a member of the GI Endoscopy Advisory Committee providing input and opinion on Quality Based Procedures. He was also a consultant for Cancer Care Ontario's 's Comprehensive Quality Management Partnership and a member of the Ontario Colonoscopy Expert Panel.
