## 2015 Golf Classic

### EXPERIENCE . . . WYNDANCE

It is my great pleasure to present to you the 2015 Lakeridge Health Foundation Golf Classic. We are excited to be returning to Wyndance Golf Club in Uxbridge for this year's event.

This course holds the distinction of being the first in Canada designed by the legendary Greg Norman. Norman, a member of the World Golf Hall of Fame, crafted a masterful routing through and around a former sand and gravel pit to create a breathtaking masterpiece.

Thanks to the generous support and contributions from corporations and individuals within our community, our Golf Classic has been able to raise much needed funds for Lakeridge Health. Last year's event raised over \$140,000 toward high priority equipment needs at Lakeridge Health's Oshawa and Whitby sites.

The proceeds from this year's Classic will once again be designated for high priority equipment needs at Lakeridge Health.

You can expect another fun and exceptional golfing experience at Wyndance.

We look forward to seeing you on the course on Monday, July 13, 2015.
