

**Lakeridge  
Health  
Foundation**

## **OFFICIAL INCOME TAX RECEIPT**

The Foundation prepares and issues official income tax receipts for eligible monetary gifts only to the individual or organization that made the gift. The date the gift was received, the name and address of the donor will appear on the receipt. Where partial receipting is indicated, the receipt will indicate both the amount of the payment and the amount that qualifies for a receipt. Gift in kind receipts are issued separately. All receipting is in compliance with Canada Revenue Agency requirements.
