

8 Steps to becoming a Volunteer with Lakeridge Health

1

Submit only ONE (1) online application found on the [Lakeridge Health website](#) to be considered for any hospital site.

2

Receive Confirmation from your preferred hospital that your application has been received. We will connect with you as soon as possible with updates.

3

A Volunteer Resources representative will call you by phone to review your application.

4

Be invited to a virtual interview. You will receive important information to help you prepare for the interview:

- ✓ New Volunteer handbook and sign off form
- ✓ Motivational Analysis (Students only)
- ✓ Questions to help us get to know you better

5

Attend a virtual interview
(In-person interviews are not possible at this time due to COVID-19 precautions)

6

Complete online general hospital orientation after a successful interview
(link and/or will be emailed to you)

7

Complete and submit ALL required documentation (forms will be discussed and provided to you)

- ✓ Proof of Immunization
- ✓ 2-step TB test results
- ✓ Police Records Check (Adults only)
- ✓ Two personal references (not from family)
- ✓ Under 18 Consent (must be signed by Parent/Guardian)

8

Assignment of volunteer role
Final details to be shared include shift day/time and training plans, parking and uniform information.

Welcome new Volunteer!
