

Slate of Nominees – Lakeridge Health Board of Trustees 2021/22

Tom McCulloch, Pickering

Tom McCulloch lives in Pickering and is currently the Appointed Foundation Representative for the Board of Trustees. Tom is also Chair of the Ajax Pickering Hospital Foundation.

He has been active in the commercial real estate industry in Canada for over 35 years. Tom has recently retired as the head of Real Estate Investments at the Canada Post Corporation Pension Plan. The Plan has assets in excess of \$28 billion and Tom had been building Canada Post's Pension Investment real estate portfolio for the past several years. The portfolio has \$3.8 billion in commercial real estate assets throughout Canada, the U.S., and Western Europe.

Tom is currently the Chair of the BentallGreenOak Prime Canadian Property Fund Advisory Board. Previously, Tom worked in the investment divisions of Crown Life and Aetna Life, and at Real Fund REIT and Morguard REIT, both publicly traded entities.

Tom is a graduate of Sir George Williams University (now Concordia) with a BComm degree in Finance.

Ijade Maxwell Rodrigues, Brooklin.

Ijade is the Chief of Government and Community Relations at York University, one of Canada's largest and most diverse universities. Ijade has over two decades of experience in the areas of: strategic planning, community engagement, issues management, reputation building, finance, human resources, communications strategy, risk management, and stakeholder engagement. In 2018, Ijade received the Distinguished Service Award from the National Association of Presidential Assistants in Higher Education in recognition for her service to the organization.

Ijade is active in the community, recently serving on the Board of Directors for Carea Community Health Centre as the Chair. She also has served on the Brooklin Community Connections Board and as a volunteer writer for the local Brooklin Town Crier newspaper.

Ijade holds a Bachelor of Science, Honours from York University, and a Masters of Public Administration from the University of Victoria.
