From: The Office of TRH The Prince and Princess of Wales

Private and Confidential

28th February, 2025

To Everyone at the Lakeridge Health Cancer Center,

The Princess of Wales would have me express her very best wishes to all of those receiving treatment at Lakeridge, along with her sincere hopes that this letter finds you all feeling as well and as comfortable as possible despite facing such challenging circumstances.

Her Royal Highness understands that when undergoing chemotherapy, there are both good days and bad days, and that the cancer journey can be scary and unpredictable, but she would have me encourage you to remember that you are not alone, and that you shall all remain in her thoughts as you continue along the road to recovery.

Yours sincerely,

Head of Royal Correspondence
