GENERAL INFORMATION

- **It is expected that the patient has been informed of their diagnosis of cancer prior to their referral.**
- Our routine practice is to schedule your patient to see the next available oncologist with appropriate expertise within 14 days of the referral.
- If a specific physician or location is indicated on the referral, we will attempt to make these arrangements. However, it may be necessary to book with the next available oncologist.
- **Our team contacts new patients directly to inform them of their appointment details.**
- You will receive a fax when the appointment has been confirmed with the patient.
- **Referral guidelines are available** on our website or can be provided by contacting the referral office.
- Referrals are processed centrally through the R.S. McLaughlin Durham Regional Cancer Centre, but our oncology team provides care at the following locations:
