

Do you have a family history of breast or ovarian cancer?

The Ontario Breast Screening Program (OBSP) offers high risk cancer screening

Ask your doctor or nurse practitioner for a referral to a genetics clinic if you or your family members have a history of:

- ◆ Breast cancer before age 35
- ◆ Cancer in both breasts
- ◆ Mutation in a breast cancer associated gene
- ◆ Male breast cancer
- ◆ 2 or more breast or ovarian cancers
- ◆ Breast or ovarian cancer in Ashkenazi Jewish families
