

Dr. Dickie is the Chief of Surgery at Lakeridge Health as well as the Section Head of Thoracic Surgery. He currently holds clinics at the Peterborough Regional Health Center as part of the Regional Thoracic Program and Diagnostic Assessment Program.

Dr. Dickie earned his Medical Degree from Queen's University in 1991, a Masters of Science Degree in the Surgical Scientist Program at the University of Toronto in 1996, and completed the General Surgery and Thoracic Surgery Residency Programs at the University of Toronto in 1998 and 2000.

Dr. Dickie served as Medical Director of Surgical Services at Peterborough Regional Health Centre from 2007 to 2009. Between 2009 and 2010, Dr Dickie held the positions of Staff Thoracic Surgeon at Toronto East General Hospital and Lecturer in the Department of Surgery, Division of Thoracic Surgery at the University of Toronto. In 2010, Dr. Dickie returned to the Central East LHIN as the Chief of Surgery and Head of Thoracic Surgery at Lakeridge Health.

Dr. Dickie has served as a panel expert for CCO, including the Expert Panel on Thoracic Surgical Oncology, Invasive Mediastinal Staging Working Group, and Thoracic Surgery Quality Indicators Working Group. He is currently a member of the Royal College Thoracic Surgery Specialty Committee, and the Royal College Thoracic Surgery Examination Committee.
