

Gynecologic Cancer Resource Guide: Learning more about your cancer and the road ahead

1. Gynecologic Oncologists of Canada (GOC)
<http://g-o-c.org/resources/patients/>
Canadian developed materials. Each topic has a separate link to explore. Discusses cancer at all five sights being cervix, ovarian, uterine/endometrial, vulvar, vaginal. Navigates the patient from understanding their diagnosis to treatment through to life after treatment.
2. Canadian Cancer Society
Canadian developed materials. Wide range of topics covered from understanding their diagnosis to treatment through to life after treatment.

Disease Type Information

Uterine/Endometrial Cancer <https://www.cancer.ca/en/cancer-information/cancer-type/uterine/treatment/endometrial-carcinoma/?region=on>

Cervical Cancer <https://www.cancer.ca/en/cancer-information/cancer-type/cervical/cervical-cancer/?region=on>
